

We are planning our first annual "Playing for a Cure" Gin Rummy Tournament on Friday April 26th, 2019, 5pm at Bridgeport Recreation Center in The Villages. All proceeds from the tournament will go towards the Walk MS which is held every year at The Villages Polo Fields. Donations help fund research to find a cure for Multiple Sclerosis and to help provide programs and services for people living with MS across Central Florida. I hope you will **Join the Movement** to help us find a cure for MS and also help those in our community who may be afflicted with this disease.

I am a volunteer and coordinator for several successful fundraisers (such as Pickleball, Billiards, Golf and Hi-Lo-Jack) that are held throughout the year and we are hoping to draw a significant number of **experienced** players for this tournament to help keep the movement going. In doing so, whether you come in first or last you all become a **winner** because you helped make a difference.

As we do for the other fundraisers, we are asking for a donation of **\$25.00**. And if you look on page two you will see how your twenty-five dollars will be awarded. You can make your checks out to the National Multiple Sclerosis Society (NMSS). And if you would be so kind, your donation would be appreciated no later than **March 30th**, that way we will have ample time to set up the tournament.
